

**CEMETERY TRUSTEE MEETING  
MEETING MINUTES  
FINAL  
NOVEMBER 19, 2007**

**PRESENT: Don Burke, Janet Brown and Robert Gordon**

**GUEST: Judy Rogers**

Meeting called to order @5:00 pm.

Minutes of the September meeting were read and accepted. There was no meeting in October.

The wall at Collins Cemetery is being rebuilt by Andrew Spielberger. This wall will be completed in the Spring. The Road Agent called and his crew had to replace culvert and put in catch basins to keep water from going into the cemetery.

Since all the land was excavated and large cement blocks have been set and all original granite slabs have been set. We will let all of this sit over the winter to make sure the blocks don't shift or settle into the ground. We will backfill the wall, loam and seed it. Andrew Spielberger will finish the wall. Thanks to the Highway Dept. and Andrew Spielberger.

Don Burke will build the gate for Collins Cemetery this winter. Thanks Don.

The prisoners will be back to help us June 2 – 6 and July 21-26. These young men save the Town thousands of dollars.

Budget proposals were discussed and approved by all.

Don Burke will write report for Town Report.

Don received request from Lisa Burroughs, she needed value of lots for probate court. Information will be sent to them.

Meeting adjourned @5:36 pm

Respectfully submitted,

*Janet Brown*

Secretary
